

MOHAMMAD ZAKI NASIRI

Ghazni, Afghanistan | +93 70 123 4567 | mzaki.nasiri@email.com

PROFESSIONAL SUMMARY

Dedicated Education Officer with 5+ years of progressive experience designing, implementing, and monitoring education programs in Afghanistan's humanitarian and development sectors. Proven track record of managing multi-donor funded projects (UNICEF, GPE, USAID) targeting out-of-school children, teacher professional development, and community-based education across 8 provinces. Skilled in building strong partnerships with government stakeholders (MoE, provincial departments), local communities, and international NGOs to deliver inclusive, gender-sensitive education interventions in challenging, remote environments.

CORE COMPETENCIES

- **Education Program Design & Implementation:**Community-Based Education (CBE), Accelerated Learning Programs (ALP), Early Childhood Education
- **Teacher Training & Capacity Building:**TOT certification, pedagogical mentoring, classroom observation & coaching
- **Monitoring, Evaluation & Learning:**M&E framework development, data collection (KoBo/ODK), quantitative/qualitative analysis, donor reporting
- **Project Coordination & Stakeholder Management:**Government liaison, donor relations, cluster coordination (Education Cluster)
- **Community Engagement & Mobilization:**Shura formation, PCDP, gender-inclusive participation strategies
- **Child Safeguarding & PSEA:**Policy implementation, incident reporting, safe recruitment, staff training
- **Curriculum & Materials Development:**Adaptation of MoE curriculum for accelerated learning, local language materials
- **Emergency Education Response:**Rapid needs assessment, temporary learning spaces, psychosocial support integration
- **Gender Mainstreaming & Social Inclusion:**Girls' education advocacy, disability-inclusive education, child marriage prevention

PROFESSIONAL EXPERIENCE

Education Officer

International Rescue Committee (IRC) | Kabul & Balkh Provinces | March 2022 – Present

- Manage a \$1.2M annual education portfolio funded by UNICEF and the Global Partnership for Education (GPE), reaching 4,500+ out-of-school children (60% girls) through 45 Community-Based Education classes in Balkh Province.
- Lead teacher recruitment, training, and ongoing mentoring for 65 CBE facilitators; developed localized teacher guide adapted to Afghan curriculum, resulting in 35% improvement in student literacy assessment scores over 18 months.
- Established and trained 30 Community Education Committees (Shuras) to strengthen local ownership, increase girls' enrollment by 42%, and ensure sustainable community support for education activities.

- Develop and submit monthly, quarterly, and annual progress reports to donors and cluster partners; maintain 98% on-time reporting rate with zero audit findings across two external program evaluations.
- Coordinate closely with Provincial Education Departments (PEDs) and District Education Representatives (DERs) to align IRC programs with national education policies, obtain teaching permits, and facilitate government transition of successful CBE classes to formal schools.

Education Project Coordinator

Save the Children International | Kandahar & Helmand Provinces | June 2019 – February 2022

- Coordinated the implementation of a \$2.8M USAID-funded "Literacy Boost" project across 80 schools in Kandahar and Helmand, training 320 teachers in assessment-guided literacy instruction and providing 15,000 students with supplementary reading materials.
- Designed and delivered 40 teacher training workshops (120 hours each) on child-centered pedagogy, classroom management, and differentiated instruction; 85% of trained teachers demonstrated improved classroom practices per structured observation tool.
- Led baseline, midline, and endline assessments using EGRA/EGMA tools; analyzed data to identify learning gaps and adapt program interventions, contributing to a 28% increase in reading comprehension scores among Grade 2 students.
- Oversaw procurement and distribution of teaching and learning materials to 80 schools, ensuring full compliance with donor regulations, SC procurement policies, and anti-fraud safeguards.
- Acted as focal point for Education Cluster coordination meetings, representing Save the Children's education programs in provincial and regional humanitarian forums.

Education Assistant / Field Monitor

Afghanistan National Education Coalition (ANEC) | Kabul, Parwan & Wardak Provinces | September 2017 – May 2019

- Supported field-level monitoring of 25 partner schools and CBE centers, conducting monthly site visits, classroom observations, and data quality checks using standardized monitoring tools.
- Collected and compiled education data from provincial MoE offices and partner organizations for national education sector analysis reports submitted to the Ministry of Education and donor working groups.
- Assisted in organizing provincial-level education conferences and advocacy events, facilitating dialogue between civil society, government officials, and international education stakeholders on SDG4 targets.
- Maintained accurate beneficiary tracking databases for 3,000+ students, ensuring disaggregated data by gender, disability status, and displacement background for inclusive programming.

EDUCATION

Bachelor of Arts in Education (B.Ed.) | Kabul University, Faculty of Education

Graduated: 2017 | Relevant Coursework: Curriculum Development, Educational Psychology, Classroom Management, Assessment & Evaluation, Comparative Education
