

MOHAMMAD ZUBAIR AHMADZAI

Primary Education Teacher | Grades 1-4

Kabul, Afghanistan | +93 70 123 4567 | m.ahmadzai.teacher@email.com

PROFESSIONAL SUMMARY

Dedicated and compassionate Primary Education Teacher with over 5 years of proven experience teaching Grades 1-4 in community-based education and NGO-funded school programs across Afghanistan. Deep expertise in delivering the national primary curriculum including Islamic Studies, Dari, Pashto, English, Mathematics, and Science with creative, student-centered methodologies. Committed to inclusive education principles with demonstrated success supporting children with special needs and those from vulnerable and displaced backgrounds. Recognized for fostering engaging classroom environments that improve student literacy, numeracy, and social development while maintaining the highest standards of child safeguarding and professional collaboration with school management and NGO partners.

TEACHING COMPETENCIES

- ☐ Comprehensive knowledge of Afghan primary curriculum (Grades 1-4): Islamic Studies, Dari, Pashto, English, Mathematics, and Science
- ☐ Expertise in phonetics, grammar, and literature instruction across Dari, Pashto, and English languages
- ☐ Creative and adaptive teaching methodologies including multisensory instruction, differentiated learning, and activity-based lesson design
- ☐ Strong classroom management with positive behavior reinforcement strategies tailored to diverse learning environments
- ☐ Formative and summative student assessment expertise with detailed progress tracking and reporting systems
- ☐ Inclusive education practices: experience adapting lessons for children with learning difficulties and special educational needs
- ☐ Child safeguarding awareness and adherence to protection policies in NGO and community-based education settings
- ☐ Collaborative partnership with school administration, NGO education officers, and parent communities to advance student outcomes
- ☐ Culturally responsive teaching with deep understanding of Afghan educational values and community dynamics
- ☐ Integration of low-cost teaching aids and locally available resources to enhance student engagement and comprehension

TEACHING EXPERIENCE

Primary School Teacher — Grades 2 & 3

Save the Children International / Community-Based Education Program, Kabul Province | March 2021 – Present

- ☐ Deliver daily instruction across Dari, Pashto, English, Mathematics, Islamic Studies, and Science to 35+ students using differentiated teaching strategies adapted to mixed-ability classrooms
- ☐ Improved student literacy rates by 32% within one academic year through structured phonics programs, daily reading circles, and parent engagement initiatives
- ☐ Designed and implemented inclusive lesson plans for 4 students with learning difficulties, resulting in measurable progress in classroom participation and assessment scores
- ☐ Established a child-friendly classroom environment aligned with Save the Children safeguarding standards; trained 6 community volunteer teaching assistants in positive discipline techniques

- ❑ Collaborated with NGO education officers to develop low-cost teaching aids and locally contextualized learning materials, enhancing student engagement by 40%
- ❑ Conducted monthly parent-teacher meetings with 95% attendance, fostering strong home-school partnerships and community ownership of children's education

Primary School Teacher — Grades 1 & 4

Afghanistan Relief Organization / Primary Education Project, Nangarhar Province | September 2018 – February 2021

- ❑ Taught core primary subjects to 40+ students in Grades 1 and 4 in a resource-limited community school setting, achieving 90%+ student retention over three academic years
- ❑ Pioneered an interactive mathematics program using locally available materials, increasing student arithmetic assessment scores by an average of 25% across all classes
- ❑ Mentored 3 newly hired teachers in curriculum delivery, classroom management, and student assessment practices, accelerating their professional development
- ❑ Organized quarterly student exhibitions and community learning events showcasing student achievements in literacy, science projects, and Islamic Studies
- ❑ Maintained detailed student progress records and submitted comprehensive monthly reports to NGO education coordinators, ensuring transparent accountability
