

MOHAMMAD ASIF WARDAK

High School Teacher | Mathematics & Physics Specialist

+93 70 123 4567 | masif.wardak@email.com | Kabul, Afghanistan | linkedin.com/in/masifwardak

PROFESSIONAL SUMMARY

Dedicated and passionate High School Teacher with 6+ years of experience delivering quality mathematics and physics instruction to grades 10-12 in alignment with Afghanistan's Ministry of Education curriculum standards. Proven expertise in curriculum development, student-centered pedagogy, and comprehensive assessment design. Committed to fostering critical thinking, scientific inquiry, and academic excellence among diverse student populations. Skilled in integrating digital literacy and technology-enhanced learning tools to create engaging classroom environments. Demonstrated ability to mentor students, collaborate with colleagues, and maintain strong parent-teacher relationships to support holistic student development.

CORE COMPETENCIES

- Curriculum Development & Lesson Planning
- Student Assessment & Performance Evaluation
- Digital Literacy & ICT Integration
- Bilingual Instruction (Dari & English)
- Mentoring & Professional Development
- Classroom Management & Discipline
- Differentiated Instruction & Inclusive Education
- Laboratory Management & Science Practical
- Parent-Teacher Communication
- Community Engagement & Stakeholder Relations

PROFESSIONAL EXPERIENCE

Senior Mathematics & Physics Teacher

Ghazi High School, Kabul | Ministry of Education | September 2021 - Present

- Design and deliver comprehensive mathematics and physics curriculum for grades 10-12 in full alignment with Ministry of Education national standards and the Baccaluria examination requirements
- Develop detailed lesson plans, teaching materials, and supplementary resources for Algebra, Geometry, Calculus, Mechanics, Electricity, and Modern Physics
- Create and administer formative and summative assessments including quizzes, mid-term exams, and mock Baccaluria examinations; analyze student performance data to inform targeted interventions
- Maintain disciplined, inclusive classroom environment conducive to learning for 40+ students per class; implement behavior management strategies per school policies
- Utilize MS Office Suite, GeoGebra, and digital learning platforms to enhance student engagement and support technology-integrated instruction
- Mentor 3 junior teachers in pedagogical best practices, classroom management techniques, and assessment design; lead weekly department meetings
- Organize and supervise physics laboratory practical sessions ensuring student safety and equipment maintenance

- Collaborate with parents through regular progress reports and parent-teacher meetings; achieved 95% student pass rate in Baccaluria examinations

Mathematics Teacher

Ahmad Shah Baba High School, Kabul | Ministry of Education | March 2019 - August 2021

- Taught mathematics curriculum for grades 9-11 including Algebra, Trigonometry, and Geometry to classes of 35-45 students
- Prepared students for national examinations through rigorous practice sessions and remedial support programs
- Contributed to school improvement initiatives including development of mathematics resource library and peer tutoring program
- Participated in staff meetings, professional training sessions, and teacher evaluation programs as per MoE requirements

Mathematics & Science Tutor

Self-Employed / Private Tutoring Center, Kabul | September 2017 - February 2019

- Provided individualized and small-group tutoring in mathematics and physics for high school students preparing for Baccaluria examinations
- Developed customized learning plans addressing individual student needs; helped 50+ students improve academic performance

EDUCATION

Bachelor of Science in Mathematics (BSc Mathematics)

Kabul University, Faculty of Science | 2013 - 2017

- Relevant Coursework: Advanced Calculus, Linear Algebra, Differential Equations, Mathematical Physics, Statistics & Probability, Real Analysis, Numerical Methods
- Graduation Project: 'Applications of Differential Equations in Physics Problem Solving'
- Academic Standing: Top 15% of graduating class

CERTIFICATIONS & LICENSES

- Ministry of Education Teaching License - Certified High School Teacher (Mathematics & Physics), Kabul Province
- ICDL Certified (International Computer Driving Licence) - MS Office Suite, Internet & Digital Literacy
- Teaching Skills Certification - Teacher Education Directorate (TED), Ministry of Education
- Classroom Management & Pedagogical Skills Training - Teacher Training College, Kabul
- Online Teaching & Digital Learning Tools Certification - Coursera
